Fire Chief's Monthly Report

To: Grays Harbor Fire District 2 Board of Commissioners

From: John McNutt, Fire Chief

May 8, 2023

Personnel:

Recruitment has been in full swing getting out the message that we are looking for volunteers. There are approximately five possible recruits in the process. Recruitment and Retention personnel will participate in job fairs and other events to get the word out that we're looking for volunteers.

Firefighter Josh Warring is in the final stages of his paramedic course. We look forward to getting him to the finish line and on the road. Firefighter Nick Smith begins his paramedic training this month and is using the same program Josh was enrolled in. Nick will be hard at work and can rely on the staff to help him through the process.
